Re: MUR 6640

To Whom It May Concern:

I received your package on 19 October. It was dated 13 September but sadly I did not receive it via the postal mail and very much appreciate you bringing it to my attention via email on 19 October.

In response to the first complaint, the report in question had postage purchased, and was dropped off at a FedEx shipping facility, on the due date of the 15th. I assume the evidence of this is why the FEC did not issue a fine.

In response to the second complaint, this was a horrible oversight on my part. As of 23 October, the personal finance disclosure sent via overnight mail to the Clerk of the House of Representatives, as well as my \$200 fine.

In response to the third complaint, I did not receive notice of this error, but having now received it, the amended Form 2 was mailed to the FEC on 22 October via certified mail.

In response to the fourth complaint, this appears to be simply a misunderstanding. My web site has always included the language "© Jeff Kazanow for Congress." I have now also added "Paid for by Friends of Jeff Kazanow" to assure full compliance.

I appreciate your attention to this matter and look forward to having these issues quickly resolved.

Sincerely,

Jeff Kazanow
Treasurer
Friends of Jeff Kazanow
